Transitional housing

**12%**  
Vehicle, abandoned building, structure lacking basic amenities, or other

## Most people told us that they lived in the County for more than one year prior to becoming homeless

### The main causes of homelessness are economic

Survey respondents shared many causes for becoming homeless. These are the top three:

1. Job loss / Lack of job skills  
Other economic reasons
2. Lost living situation / Eviction
3. Family crisis / Family break-up
