

Pathways to Housing

This full-time, overnight position is located in Grass Valley, California (a halfway point between Lake Tahoe and Sacramento).

Hospitality House began as a shared vision in 2005 when concerned Nevada County citizens came together to help individuals struggling with homelessness. After operating as a nomadic shelter for eight years, Hospitality House opened its doors as an emergency shelter, Utah's Place, in 2013. It became the first and only permanent homeless shelter in Nevada County and remains the only general use emergency shelter today. Hospitality House plays a critical role in the community, offering emergency shelter, street outreach, food, clothing, job training, customized case management, mental health counseling, enrichment classes, transportation, recuperative care, pet-care, housing assistance, and homelessness prevention services.

If you share our vision of helping Nevada County residents return to housing with care and compassion, we invite you to join our team! The Shelter Advocate plays a critical role on the frontlines of addressing homelessness in our county. The ideal candidate brings a passion for helping others, experience working with vulnerable populations, and a can-do attitude.
